Requested by: Legislative Council

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

Although difficult to determine, it is estimated that if House Bill 1627 is enacted as amended, approximately \$100,000 to \$300,000 in revenue would be collected by Section 10 of this act and deposited in a litter control account.

It is also estimated that approximately a \$20,000 additional per year administration cost would be incurred by the Tax Dept. in collecting that revenue.
