In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

House Bill No. 1694 would have no fiscal effect on this department. However, a substantial savings to the state could be realized by its passage. As provided in House Bill No. 1694, by amending N.D.C.C. 48-02-19 to apply only to new buildings and facilities, the great expense of retro-fitting all existing public buildings to comply with the accessibility requirements would be eliminated.

It is not possible at this time to project the dollar amount of savings to the state House Bill No. 1694 could represent.
