In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

It is difficult to determine the number of hearing requests the Department would receive under S.B. 2145; however, an estimate of 5-8 requests the first year of the biennium and a maximum of 5 the second year could be expected. At an average cost of \$120 per hearing, (held outside the Bismarck area) we would expect to spend \$600-\$1,500 to enforce S.B. 2145 over the biennium.
