The provisions of Senate Bill No. 2201 will not have an increased financial impact on the State of North Dakota. Our projections indicate that the increase in benefits will be more than offset by the continuing loss of beneficiaries.

The one percent (1%) payroll tax has been suspended for calendar year 1979 but is included in state agency budget requests for the remainder of the biennium.

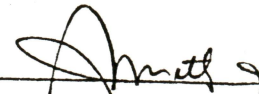

The State's share of estimated benefit costs is as follows:

Fiscal year 1979 - \$249,000

Fiscal year 1980 - \$238,000

Fiscal year 1981 - \$212,000
