In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

It is estimated that the collection of fees in the next biennium will generate an income of \$16,520 to the proposed ionizing radiation license and registration fund, as provided for in this Bill.

The expenses to this fund in the next biennium are expected to equal income and would be used to offset increasing cost of providing a service of ionizing radiation protection.
