Registration and monitoring homes and facilities to provide boarding home care for special education students could be provided by the Social Service Board through contracts with the County Social Service Boards. We anticipate contracting for 195 hours at \$35.56 per hour for a total initial registration cost of \$6,934. An annual 50% turnover of homes and 5% increase in cost per hour would require an additional \$4,481 for a \$11,415 biennium fiscal impact.

The Social Service Board could absorb the nominal cost of printing registration certificates, maintaining a register of such facilities, establishing registration and operating standards as well as revocation and related appeals hearings costs.
