In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

It is anticipated that the enactment of S. B. 2267 will not require the expenditure of additional state funds, except in a negligible amount, since personnel already devote time to dealing with this problem area. No additional appropriation will be needed.

Estimated additional revenues to the general fund would be \$1,500 for the biennium.

The provision for alternate state licensing is to prevent situations where county-by-county licensing might be unreasonably burdensome.
