In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

The provisions of Senate Bill No. 2457 could have a fiscal impact on the State of North Dakota in an unknown amount. Students employed by state agencies, other than schools, colleges, and universities, can earn wage credits which would be used in determination of monetary eligibility. Benefit payments resulting from such determination would be charged, on a pro-rata basis, to each base period employer.
