FISCAL NOTE

Prepared in regard to: House Bill No. 1051
(List bill or resolution and number, if available, or subject)

Amendment to: _____
(List bill or resolution and number)

Requested by: Legislative Council Date of receipt: 12-24-80

In the following space note the fiscal effect in dollars of the legislative proposal:

Narrative:

The fiscal effect is based on an annual projection of 626 North Dakota residents who would enroll in Minnesota Area Vocational-Technical Postsecondary Institutions. The non-resident cost to be borne by North Dakota was estimated to be \$540 per student, per academic year. The source of student enrollment information was a result of a survey conducted of the Minnesota AVTI system and analyzed to reflect a 100 North Dakota student enrollment increase in Minnesota schools should reciprocity legislation between the two states pass. The fiscal impact resulting from Minnesota students attending North Dakota schools, as surveyed, is insignificant and thus no fiscal impact is reflected in the fiscal note.
