In the following space note the fiscal effect in dollars of the legislative proposal:

Narrative:

H. B. 1105 provides for supplemental retirement benefits to Supreme and District court judges where such judges would retire under the benefits of the Public Employees Retirement System.

It is anticipated that no judges would be retiring during the coming biennium and, therefore, no judge would be eligible for the supplemental benefits provided for under this bill.

No general fund appropriations are necessary under this bill for this biennium. It is difficult to calculate the financial impact of this bill for succeeding bienniums.

Fiscal Effect:

1981-82		1982-83		Total Biennium	
Special Funds	General Fund	Special Funds	General Fund	Special Funds	General Fund
