FISCAL NOTE

Prepared in regard to: HB 1136 - Residential Conservation Service  
(List bill or resolution and number, if available, or subject)

Amendment to: \_\_\_\_\_  
(List bill or resolution and number)

Requested by: Legislative Council Date of receipt: December 28, 1980

In the following space note the fiscal effect in dollars of the legislative proposal:

Narrative:

No additional funding is required. Funding for the administration of a state plan providing for utility assistance to residential customers for energy conservation shall be from the existing State Energy Conservation Plan (SECP) and are included in that budget.

It is our best estimate that approximately \$25,000 of available Federal SECP funds will be used for this purpose.
