In the following space note the fiscal effect in dollars of the legislative proposal:

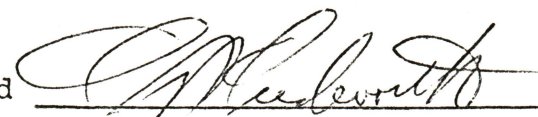

Narrative:

If enacted, House Bill 1512 would have no fiscal impact on the state general fund. The Tax Department does not have data to determine which local political subdivisions would be affected and the net fiscal impact upon these political subdivisions. However, information available to the Department suggests that House Bill 1512 would increase coal severance tax revenues to political subdivisions within Adams and Oliver counties, and decrease coal severance tax revenues to Morton and Bowman counties.
