In the following space note the fiscal effect in dollars of the legislative proposal:

Narrative:

The fiscal impact of a bill of this magnitude is hard to define. This office has no idea on cost of staff, supplies, materials, fees, services, and equipment that might be needed to implement and maintain the program. Nor does this office have any idea of the number of agencies, as defined by the bill, that will be regulated, and of the space that might be required if the act is implemented. Lastly, our office has no idea of the amount of documents that will need to be forwarded and stored.

In view of all the above unknown fiscal impacts required by this bill, we estimated it will cost approximately \$100,000 to implement and maintain the purposes of the Act.

Fiscal Effect:
