In the following space note the fiscal effect in dollars of this measure:

Narrative:

Attached is a memo which was prepared for the Budget C Committee this fall, listing the states which have brand recording and their fees (information received from the states attending the recent International Livestock Conference).

The current \$5 fee brings in \$6,500 per biennium. The proposed \$30 fee would come closer to reflecting the cost of the recording program. For comparison purposes, a \$10 fee would bring in \$13,000 per biennium; a \$20 fee, \$26,000 per biennium.
