Please estimate the fiscal impact of the above measure for:

State general or special funds       Counties       Cities

Narrative:

Section 1 would have no fiscal impact on the general fund. It may have an unascertainable effect on county costs depending on participation in the Optional Supplemental Security Income Program.

Section 2 would repeal the law requiring counties to participate in 15% of the Non-Federal share of Title XIX costs. This would increase the general fund requirements by an estimated \$9.4 million and decrease county costs by a like amount.
