Narrative:

HB 1404 would have no fiscal impact on the state general fund or special funds. The bill provides that all funds collected or received by the board of occupational therapy shall be deposited and dispersed in accordance with section 54-44-12 of the NDCC. Section 54-44-12 provides that all occupational and professional boards deposit fees and other moneys they receive in any bank selected by the majority vote of the board, and that checks may be drawn against the bank account for the authorized expenditures of the board. Therefore, the operation of the occupational therapy board would be independent of the state treasury and would not have an impact on the state general fund or special funds.
