FISCAL NOTE

Bill/Resolution No.: 1481 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Legal notices which would meet the standards of this bill are estimated to cost about \$40,000 above present requirements for major projects. If we assume three major projects per biennium plus \$30,000 for minor projects, the cost of the notices would be about \$150,000.

The requirement for a need evaluation would be more difficult to estimate. We understand that South Dakota spent about \$225,000 on this issue for the Mandan Line. This was probably an unusually large project, so we will estimate that \$350,000 in consultant fees might be a conservative estimate for a biennium.
