Narrative:

HB 1499, if enacted into law, would increase revenues to the State General Fund approximately \$22,560,000 for the 1983-85 biennium. Because motor fuels and special fuels are collected monthly under current law, no fiscal analysis was performed relating to Section 3 of this bill. The administrative costs involved in the implementation of the bill would be significant. However, neither the bill nor this fiscal note provide for these costs.
