State general or special funds       Counties       Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Specific figures are unavailable on what impact HB 1548 would have on the various check-off groups. General consensus has it that this will create a bookkeeping nightmare and make projecting biennial budgets and annual marketing programs nigh on to impossible. To place refund forms at the point of assessment would make even "guesstimating" refund percentages impossible.

The relatively low percentage of refund requests in most check-off programs indicate willingness of participants to share the promotion and marketing costs of their organizations.

State Fiscal Effect:
