Requested by: Legislative Council Date of Receipt: 1/14/83

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

It is not possible to calculate the fiscal impact of this bill since, because of the uncertain cyclical nature of general fund cash flow, it is not possible to predict when and if what financing mechanisms would be used to implement the bill's provisions. However, positive fiscal benefits to the state could result if it were necessary to revise payment dates in lieu of borrowing from special funds or issuing bonds to make such payments. Because of the cyclical nature of general fund cash flow, the financing mechanisms are necessary to efficiently manage the state's resources and programs.
