Bill/Resolution No.: 2085 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

I do not foresee that these changes will result in a change in department cost or budget. The changes are partly housekeeping to update requirements to current times. (4-30-02 & 4-30-12)

The changes in 4-30-52 allow for seizure of product (a power authorized in 4-29-04). The change in wording makes the two sections of law more compatible.

The change in 4-30-53 allows for the use of civil penalty for violations of dairy laws. This procedure is expected to simplify the process to bring about complaints of violations that do not appear to warrant criminal penalty. I do not visualize that this would be any more or less costly than current law requires.

State Fiscal Effect:

<u>1983-84</u>		<u>1984-85</u>		<u>Biennium Total</u>	
<u>Special Funds</u>	<u>General Fund</u>	<u>Special Funds</u>	<u>General Fund</u>	<u>Special Funds</u>	<u>General Fund</u>
