Requested by: Legislative Council Date of Receipt: 1/4/83

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

North Dakota Century Code 54-14-04.3 allows payment of severance pay to state employees or officers when terminated because of "reductions in staff or temporary or permanent layoffs, or for other reasons primarily beyond the control of the employee or officer."

The presence of a law allowing severance pay and the absence of funding for providing severance pay causes confusion and unrest. Repeal of the law or appropriate funding would clarify the State's position on severance pay.

No fiscal impact.
