Amendment to: _____

Requested by: Legislative Council

Date of Receipt: 1/3/83

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

There are two known pipelines that will become subject to assessment and tax if SB2180 passes. These two pipelines would be subject to a 1983 property tax of approximately \$253,000 of which the counties share is \$61,000, and a 1984 property tax of \$232,000 with the counties receiving \$56,000. There are presumably additional pipelines which are presently not assessed that would become taxable but the location and valuation of these additional pipelines are not presently known.

The one-mill state medical center levy is the State Special Fund that is affected by this bill, but the impact is less than \$5,000 for the biennium.
