Requested by: Legislative Council Date of Receipt: Jan. 4, 1983

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Non-profit corporations have never had to file annual reports in the past in our state. Many non-profit corporations no longer exist except in the records of this office. We are attempting to have non-profit corporations file annual reports so our office can monitor the records of those corporations better.

An employee would have to work full time during the biennium to complete the requirements of law as proposed. Those duties include sending annual report forms, identifying good standing and inactive corporations, filing annual report forms, and lawfully terminating inactive non-profit corporations. After that less employee time would be required.
