FISCAL NOTE

Bill/Resolution No.: 2277 Amendment to: \_\_\_\_\_

Requested by: Legislative Council Date of Receipt: 1-10-83

Please estimate the fiscal impact of the above measure for:

State general or special funds       Counties       Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

It is estimated that this bill could add as many as 850 weighted units for foundation payment purposes each year of the 1983-85 biennium. However, if school districts were to alter local policies to allow students to enroll in fewer than four units per year the result would be a reduction in the number of weighted pupil units for foundation purposes.

The positive or negative fiscal impact of this bill cannot be estimated until either legislation is passed which establishes a per weighted unit payment amount or an amount is attached to this bill.
