Narrative:

Revenue for the Game and Fish fund would be the same as under the present licensing system, about \$200,000 for the biennium. This bill would require titling of boats. With a \$3.00 titling fee, approximately \$100,000 would be collected in 1984 and \$15,000 each year thereafter. This money would be retained in the Highway Distribution Fund and would pay for the Motor Vehicle Department's costs for administering the licensing program.
