Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

HB 1063 proposes the licensure of hospice programs with the regulatory responsibilities delegated to the State Department of Health.

The legislation would require the Department of Health to establish a licensure program which would include developing the rules and standards, the capability to process applicants, and the conduct of on-site surveys for compliance with the established standards. Additional expenditures of effort will be required to identify non-compliance with the licensure process.

The program would require one full-time health facility consultant having lead responsibility for the program and conducting on-site evaluations and consultation visits.
