FISCAL NOTE

Bill/Resolution No.: _____ Amendment to: House Bill No. 1356

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative: There would be no reduction in estimated income to the state institutions of higher education since the amended bill requires an appropriation, presumably to the adjutant general, to pay 50 percent of the tuition to the institutions for armed forces reserve members. It should be noted that these tuition waivers would need to be paid from the existing appropriation to the adjutant general for such purposes or additional funds from some source would need to be appropriated. The amount required for armed forces reserve members to be paid from the adjutant general's existing appropriation or from an additional appropriation is \$139,000.

State Fiscal Effect:

<u>1985-86</u>		<u>1986-87</u>		<u>Biennium Total</u>	
<u>Special Funds</u>	<u>General Fund</u>	<u>Special Funds</u>	<u>General Fund</u>	<u>Special Funds</u>	<u>General Fund</u>

Depends if funds are paid from the existing appropriation to the adjutant general or if an additional appropriation is made.
