Narrative:

It is impossible to estimate the fiscal effect of this bill as amended because it cannot be determined how many vehicles would qualify for the special registration provisions of this bill.

However, it should be noted that this bill as amended will result in a loss of revenue of between \$355.00 and \$1,935.00 over a twenty year period of time for each vehicle that does qualify under the provisions of the bill. This loss of revenue is based on the difference between the annual fee that would be paid if the bill does not pass and the one-time fee that would be paid if the bill passes.
