FISCAL NOTE

Bill/Resolution No.: Senate Bill No. 2510 Amendment to: \_\_\_\_\_

Requested by: Legislative Council Date of Receipt: \_\_\_\_\_

Please estimate the fiscal impact of the above measure for:

State general or special funds       Counties       Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

It is impossible to estimate the fiscal impact of this bill because the department does not know how many of the existing letter plates will renew under the provisions of this bill. Also, the department does not know how many additional letter plates may be sold under the provisions of this bill.

If this bill does not pass it is estimated that the department will have a loss of revenue of approximately \$20,000.00 per year. This estimated loss is based on the fact that the department has averaged approximately \$42,000.00 per year from the collection of the special license plate fee since 1980. However, since the department is probably going to a permanent license plate, we will not be able to charge the \$100.00 fee because we will not be replacing the plates. Therefore, the only revenue which will be generated if this bill does not pass will be that from the estimated 220 additional letter plates sold each year.

State Fiscal Effect:
