Requested by: Legislative Council Date of Receipt: 1-21-87

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

The fiscal note in House Bill 1435 would be as follows:

One-half of the 310 school districts were to enter cooperative agreements that qualified them for the \$25 per unit or received the \$25,000 cap per district, the estimated cost would be \$1,500,000 for the 1987-88 year and \$1,500,000 for the 1988-89 year.

This is an estimate and it is unknown at this time if that many districts would participate, as there is a district participation requirement of \$7.50 per unit or 30% of the cost of the project requirement in House Bill 1435 that must be made by the school district.
