FISCAL NOTE

Bill/Resolution No.: House Bill No. 1593 Amendment to: \_\_\_\_\_

Requested by: Legislative Council Date of Receipt: 1/30/87

Please estimate the fiscal impact of the above measure for:

State general or special funds       Counties       Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative: The changing of the size of the Medical Center Advisory Council from 11 to 14 members will increase the expenditure for travel by \$450. The Council meets twice per year at various locations across the State. The travel expenses for Council members are supported by the general fund appropriation of the Medical School.

The change in the Medical Center Student Loan Fund will have an indeterminate effect on the revolving student loan fund. To the extent that the changes cause doctors or dentists to practice in qualified communities and thus receive cancellation, the loan fund will not receive the income/payments that would ordinarily have been received. There will be no additional administrative expenditures required by the amendments to Section 15-52-20.
