Narrative:

It is estimated that with the passage of this bill, there would be a savings to state agencies of \$380,000. Due to time limits, there would have to be agency involvement to determine the exact amounts. This fiscal note does not include the Bank of North Dakota, Job Service, Mill and Elevator, and the colleges and universities under the Board of Higher Education. Since those agencies are not under the central accounting system, OMB will contact each of them and forward the information upon receipt.
