In the following space note the fiscal effect in dollars of this measure:

Narrative:

As we are now going into the second biennium concerning the Central Notice System, we are better able to determine actual expenses for each type of microfiche subscriber.

We have estimated the monthly crop list to cost \$15.00 and the weekly crop supplements to cost \$2.50 each. Livestock subscribers microfiche lists cost less than \$10.00 per monthly list. This bill would give the secretary of state authority to set variable subscription prices based on actual costs.
