FISCAL NOTE

Bill/Resolution No.: Senate Bill No. 2230 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

The amount to be expended is dependent upon the number of extradition requests from county law enforcement agencies. During the 1983-1985 biennium, \$63,924 was expended. In the current biennium \$34,560 was appropriated with \$37,816 being spent to date with other requests for payment pending. This bill will place limits on classes of payment requests to ensure that this fund will continue to be available to all county requests in the next biennium.

OMB has proposed that this item be placed within the Attorney General's budget and appropriation. The Governor's budget recommends \$69,120 for arrest and return of fugitives.

Historically, requests for payments have exceeded the appropriation. Emergency Commission approval of otherwise proper individual requests for payment will not be necessary should this fund be at a level to meet anticipated requests.
