FISCAL NOTE

Bill/Resolution No.: Senate Bill No. 2279 Amendment to: \_\_\_\_\_

Requested by: Legislative Council Date of Receipt: January 6, 1987

Please estimate the fiscal impact of the above measure for:

State general or special funds       Counties       Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

This bill provides for a \$4.00 per year registration fee increase for Disabled American Veterans. The bill also removes the exemption from registration for small utility trailers.

The fee increase for Disabled American Veterans is expected to generate \$1,200.00 per year. The registration fees generated from registration of utility trailers is more difficult to estimate. The department believes there are at least 50,000 unregistered utility trailers in North Dakota. However, it will take a number of years before all of these trailers will be brought into the registration system. A reasonable estimate would be that \$100,000.00 the first year and \$200,000.00 the second year could be generated.
