FISCAL NOTE

Bill/Resolution No.: _____ Amendment to: Senate Bill No. 2456

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

The amendment to Senate Bill 2456 may not change the original fiscal note depending upon the number of children who take advantage of enrolling in public school courses.

The current year 1986-87 there are 12 students. The Home School Association estimate 50 units. This may be high.

50 units x \$1370 = \$68,500 per year x 2 = \$137,000.

My best estimate is that this amendment will not change the fiscal note. If anything it will be less than \$137,000 for the 2-year period unless additional students enroll for courses in public school programs.
