FISCAL NOTE

Bill/Resolution No.: Senate Bill No. 2458 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

This bill will allow judges of county and district courts to require the convicted defendant to pay a court administration fee in lieu of court costs. In the event of suspended or deferred sentences, half of the court administration fee would go to the common schools fund.

As the court administration fee would be discretionary with the district and county judges and as there is no historical basis upon which to estimate usage of such a fee, it is not possible to calculate the fiscal impact on the state or the counties. It is generally considered that this bill would be revenue neutral, however.
