Requested by: Legislative Council Date of Receipt: \_\_\_\_\_

Please estimate the fiscal impact of the above measure for:

State general or special funds       Counties       Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

S. B. No. 2493 does not appreciably change the procedure whereby defendants can be ordered by the court to reimburse the appropriate jurisdiction for indigent defense costs. At the present time, approximately \$67,000 per biennium is reimbursed to the state general fund from the defendants and it is not contemplated that the collections would increase appreciably under this bill.

The receipt to the counties cannot be estimated at this time, but it is assumed that the collections to the counties would remain approximately as at present.
