Narrative:

HB 1128 provides the authority for the Bureau to offset benefits from Social Security Retirement, it is estimated that annual savings will amount to over \$900,000 for payments to be made over the life of the claimants impacted.

The total impact of this change would be reflected annually in the Bureau's financial statements, due to the fact that these funds would be uncommitted. Actual cash savings for the 1989-91 biennium would be approximately \$300,000.
