FISCAL NOTE

Bill/Resolution No.: HB 1209 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

Elimination of inspection duties would result in travel savings of \$10,000 and motor pool savings of \$12,500. However, this would be offset by estimated increases in telephone - \$3,000, postage - \$2,000, and operating services - \$2,500 to carry out other statutory responsibilities now performed in conjunction with inspection activities.

In addition, failure to provide the services offered through periodic inspections may result in a higher degree of insolvencies. This could cost the general fund money to allow the Public Service Commission to adequately perform statutory duties to act as trustee, provide legal counsel, and resolve bankruptcy proceedings. The net result could be a cost to the general fund.
