

Bill/Resolution No.: HB 1223 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

If given authority to establish fees administratively, the Public Service Commission would attempt to set fees which would generate revenues approximately equal to the Weights and Measures divisional appropriation. This service would no longer be a net expense to the general fund, but rather a break even activity. Detailed biennial cost studies will be prepared and used as the basis to establish fees.

Since the cost study is an estimate, the fiscal effect is also an estimate. Based on our 1989-91 cost study and our Weights and Measures divisional budget request, an additional \$112,500 would be collected annually.
