Requested by: Legislative Council Date of Receipt: \_\_\_\_\_

Please estimate the fiscal impact of the above measure for:

State general or special funds     Counties     Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

It is impossible for this office to determine a fiscal note for either the soybean based ink or starch based plastics. Through discussions with vendors in the printing industry, it is unknown what problems may result or what changes would have to be made to their equipment. In discussing the starch based plastics with vendors they stated that there would be a 50% increase in price; also, the technology had not been refined enough to determine the shelf life of the product; more work is needed on the product.
