In the following space note the fiscal effect in dollars of this measure:

Narrative:

Two months before the 1988-1989 Centennial Edition of the Blue Book was published and ready for distribution, the secretary of state's office received advanced orders for the book. This office expects a heavy demand for the blue book since thousands of persons will be coming to our state to help celebrate our centennial.

We would like to put the income received from the sale of the blue book into a continuing appropriation with the money from the fund used to reorder additional centennial blue books.
