In the following space note the fiscal effect in dollars of this measure:

Narrative:

The original bill established the North Dakota Building Authority makeup to be the Governor, Attorney General, Commissioner of Agriculture and four legislators and had a fiscal note of \$6,752. The amendments to Senate Bill 2036 establish a Building Authority Committee (an advisory group) which is to be made up of the Director of the Office of Management and Budget, Commissioner of Higher Education, a representative of the Industrial Commission and four legislators.

The original fiscal note provided funding for per diem and related costs for the legislative members. Since the three non-legislative committee members should be able to draw upon funding from their own agencies, the original fiscal note would also be appropriate for these amendments to Senate Bill 2036.
