Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative:

This bill allows the charging of fees for promotional items for honey promotion. Presently, the honey fund is authorized to receive funds from a check-off of the beekeepers by number of colonies. No general fund monies will be impacted.

By allowing the fund to accept these fees, the special fund, "honey fund", may have a larger operating balance. However, the additional funds will probably be insignificant because the fees will recover costs of the promotional items.
