**FISCAL NOTE**

REPLACEMENT FOR FISCAL  
NOTE DATED 2/17/89

Bill/Resolution No.: \_\_\_\_\_ Amendment to: SB 2263

Requested by: Legislative Council Date of Receipt: 2-20-89

Please estimate the fiscal impact of the above measure for:

State general or special funds     Counties     Cities

In the following space note the fiscal effect in dollars of this measure:

**Narrative:** Based on the information found in previous fiscal notes, we make the following observations.

Non Profit Corporation Annual Report Fees: Approximately 8,200 nonprofit corporations are in existence, (excluding churches). We estimate 75% or about 6150 will file nonprofit annual reports at \$5.00 for an expected income of \$30,750. We also project a need of two full time staff members, additional operating expenses (printing and postage) of \$39,500 and additional equipment needs of \$2,400 for a total of \$91,052. We point out that our estimated income does not cover our estimated expense.

Contractor License Fee Increase: Based on a projected 110 additional class "A" and 45 additional class "B" licenses issued each year of the biennium, we estimate we will have additional income of \$68,500 for the biennium. This fiscal note reflects the difference of income under the present law and SB2263 as currently amended. This section of the fiscal note supercedes the fiscal note of January 7.

Notary Fee Increase: We project that 3,900 persons will apply for notary commissions for an additional increase of \$39,000 income over normal anticipated notary commission fee income.
