FISCAL NOTE

Bill/Resolution No.: SB 2433 Amendment to: _____

Requested by: Legislative Council Date of Receipt: _____

Please estimate the fiscal impact of the above measure for:

State general or special funds Counties Cities

In the following space note the fiscal effect in dollars of this measure:

Narrative: The bill requires that a wetlands acquisition evaluation board be established. The bill provides that this board conduct a comprehensive review and evaluation of the wetland acquisitions by this state, state agencies, or political subdivision of the state, and by the United States or any agency of the United States, for waterfowl production areas, wildlife refuges, or other wildlife or waterfowl purposes. This evaluation must include an analysis of the economic, fiscal, social and agricultural impact of completed and proposed acquisitions.

Based on findings, the board shall recommend whether acquisitions shall be approved. No federal, state or county agency could acquire any interest in land for any wildlife conservation project until July 1, 1999, or until the wetlands acquisition evaluation board formulates its final recommendations, whichever date is first.

This bill would require that the board be staffed by the Governor's Office, which would require one-fourth of the time of one senior staff person with wetlands expertise and one-fourth of the time of one support staff person.
