Narrative:

It is uncertain as to the amount of funds that would be collected for the purpose of this bill. This legislation would require an additional staff member in the Office of Attorney General to administer the program.

It is suggested that the program be administered by the Department of Public Instruction or the Division of Alcoholism in the Department of Human Services, who are presently involved in many of the activities mentioned in the bill. It is possible that they presently have adequate staff to administer such program.
