Narrative:

It is estimated the Motor Vehicle Department will register 9,400 snowmobiles during the next biennium. At the present gas tax rate of \$.17 per gallon, this bill would take approximately \$83,640.00 from the general fund and increase the state snowmobile fund by the same amount.

If Senate Bill No. 2029 passes, the gas tax rate would be increased to \$.20 per gallon. The fiscal effect of this bill then would be to take \$98,400.00 from the general fund and increase the state snowmobile fund by the same amount.
